

Asbestos Awareness

**Could you or the people you manage be affected by asbestos during your working day?
How do you ensure that your Clients' best interests are served?**

- Architects
- Health & Safety consultants
- Surveyors
- Solicitors
- Chartered surveyors
- Engineers
- Insurers
- Planning Supervisors
- Demolition contractors
- Roofing contractors
- Shop fitters
- Tradesmen

The Health & Safety Executive (HSE) require that Asbestos Awareness training is provided to all employees whose work activities could foreseeably expose them to asbestos. This is particularly critical for demolition workers and those in the refurbishment, maintenance and allied trades.

In providing this training to your employees you are ensuring compliance with your statutory obligations under the Control of Asbestos Regulations 2006.

Course content:

- Legislation and guidance
- The properties and health effects of asbestos exposure
- Types, uses and risks of Asbestos containing materials (ACMs) in buildings
- General emergency procedures for accidental disturbance of ACMs
- Safe working practices and general asbestos management techniques

Course duration:
½ - 1day

Cost:
£75 per person (+ VAT)
(includes refreshments)

Venue:
Unit 3 Arlington Court
Cannel Row
Silverdale Enterprise Park
Newcastle under Lyme
ST5 6SS
Tel: 0845 456 9953

Group training can also be held at your own premises and can be customised to your company requirements (Please contact Richard Powner for a bespoke quotation)

Refresher Awareness Training should be carried out on a regular basis as part of your health and safety update

Confirmation of your booking will be sent via post. Environmental Essentials' standard terms and conditions apply. All training fees must be paid 3 weeks in advance of the course start date. All cancellations must be received 10 days in advance of the course start date. All fees are forfeited thereafter, although substitutions are acceptable.
